Title of Program/Project

Description of Program/Project

Describe the project, the need that will be addressed and the goals.

Describe the Benefit of the Program/Project

Address who will be served, how many students and/or teachers will be affected, and at what grade level.

Will this project be used or shared by other students and/or teachers, besides those directly served? YES NO
If so, how?

Funding of Program/Project

Explain how the grant will be used to implement the program.

Will the grant enhance or supplement an ongoing project? YES NO
If so, briefly describe results of the project to date.

Are there other funding sources? YES NO
If so, what are they?

Are other funding sources being sought? YES NO

Evaluation of Program/Project

Describe how you will evaluate the project's success, including how it will satisfy the goals and any metrics that will be used.

Budget for Program/Project

Attach a proposed budget detailing project's overall expenses, itemizing the funds requested from the foundation.
