THANK YOU

This is one of those efforts that tugs at your heart, but requires more than a warm, fuzzy response.

By August 15, the first day of the new school year, we hope to have made a significant dent in millions that remain to be raised for the renovation of Oak Ridge High School and the establishment of an endowment fund for the future.

More than 100 volunteers, many of them listed on these two pages, have donated hours and hours of their time, helping at the groundbreaking, working to provide information to visitors at the city's Secret City Festival, writing postcards to send to neighbors and friends, planning and hosting parties, and making follow-up phone calls.

Heart-warming stories of response are coming in to the Education Foundation office every week – watch the local newspapers for them. Know that you are part of the driving force behind the effort!

Through the first four weeks of the campaign, \$300,100 has come in!

DO WE HAVE YOUR E-MAIL ADDRESS?

If you'd like to receive more frequent updates about the fund-raising effort, please be sure we have your email address.

Send a message to efvolunteer@comcast.net so that we can add you to the address list.

Make your pledge today

It's hard to ask folks to donate to a project if you haven't already made a commitment of your own. If you have yet to make your contribution or pledge to the renovation of ORHS and the endowment for the Education Foundation, fill out your pledge card today or contact Lila Metcalf (call 241-3667 or send an email to Lila.Metcalf@orau.org). Thanks for putting your money where your heart is

RING! RING!

Time to start on those follow-up phone calls

If you are one of the volunteers who is following up the recent postcard reminders with phone calls to friends, family, and neighbors, now is the time to get started.

The postcards are being mailed out this week, and we are so grateful to everyone who helped us get approximately 6,000 reminders out as a "second wave" after the letter and pledge card mailed to all city residents in mid-June.

But nothing beats a friendly voice with a gentle reminder. Need an opening line? How about, "Did you get the postcard I sent you about the fund drive for the high school? If you need a pledge card, I know just who to call ..."

Party on? Schedule now!

A number of volunteers have hosted or started planning neighborhood gatherings to share their enthusiasm for the community fund-raising drive this summer. The Foundation office is happy to loan its banner and tent and can provide materials (even a knowledgeable speaker!).

Peggy Bertrand and Dan Terpstra kicked things off with an ice cream social June 29. At "press time," Bart and Stephanie Smith on West Melbourne and Lou and Ann Arnold in Willow Place were preparing to celebrate with their neighbors on July 14 and 15, respectively.

The Basseens and Boudwins have also agreed to host parties later this summer.

Plans are in the works for a community gathering at the end of the campaign, perhaps at Cedar Hill Park.

Want to help with that effort or want to host your own gathering? Call Lila Metcalf at 241-3667 or send an email to efvolunteer@comcast.net for more information.

Visited the Education Foundation's website lately?

Our thanks go to Shawna Smith, our volunteer website coordinator for her efforts at keeping this site up to date and informative for our visitors.
